Putting Residents First

LONDON BOROUGH OF HARROW

Emma Harkin
Director of Education Services

Dear Parent/Carer,

Subject: Free School Meal Holiday Voucher Scheme

We are pleased to confirm that Free School Meal holiday vouchers will be available during the holiday period for children eligible under the **targeted Free School Meals scheme**.

As funding for the programme is limited, holiday vouchers cannot be extended to children who are eligible only through the **expanded FSM scheme**.

We would like to reassure families in the expanded FSM cohort that this decision does not diminish the importance of the support they receive. The Council recognises that many working families continue to experience financial pressures, and we remain committed to maintaining expanded FSM provision during term time and to identifying other ways to support families when resources allow.

For residents who find themselves facing financial hardship, other routes to support are outlined in Harrow's CRF webpages: Crisis and Resilience Fund – London Borough of Harrow

Yours sincerely,

Emma Harkin

Director of Education Services - London Borough of Harrow
