Dear Parents and Carers,

Re: Exciting News: National Recognition for Inclusion and New Opportunities for Students

I am delighted to share two exciting achievements that reflect our ongoing commitment to inclusion, wellbeing and opportunity at Rooks Heath School.

Firstly, we have been awarded the **Bronze Award as a Trauma Informed and Attachment Aware School (TIAAS)**. This nationally recognised accreditation celebrates the difference we are making in raising aspirations, strengthening practice and creating inclusive, nurturing experiences for all young people.

This award recognises our commitment to understanding how life experiences can affect learning and wellbeing, and to ensuring that every student feels safe, supported and able to succeed. It reflects the dedication of our staff and students and our determination to provide the very best support for all learners, particularly those who may face additional challenges.

I am also pleased to announce that Rooks Heath School is now part of the **Jack Petchey Achievement Award Scheme**. The programme celebrates young people who demonstrate qualities such as resilience, determination, leadership, kindness and commitment to their community. These reinforce and are in keeping with our TRACK values.

As a school with gold level of funding, we can present the maximum allocation of nine Jack Petchey Achievement Awards each academic year, and we look forward to recognising and celebrating the many achievements of our students. Your child could be one of our future award recipients, with opportunities to be nominated for making a positive difference in school or demonstrating outstanding personal qualities.

These achievements reflect our belief that every young person deserves to feel valued, supported and inspired to achieve their full potential. We are incredibly proud of our students and staff for helping us reach these important milestones.

Thank you for your continued support.

Yours sincerely,

Mrs M Manderson
Headteacher
