Dear Parents and Carers,

RE: Careers Fair 2027 – Invitation to Host a Stall

As part of our commitment to preparing students for their future pathways, Rooks Heath School is delighted to be holding our annual Careers Fair on Thursday 21st January, 8:30am – 3:30pm and would like to invite parents and carers to get involved.

The Careers Fair is a key event in our careers programme and has four main aims:

- To raise students' aspirations and broaden their awareness of career opportunities.
- To provide direct access to employers, universities, colleges and apprenticeship providers.
- To support the Gatsby Benchmarks and our school careers programme objectives.
- To strengthen partnerships with local employers and the wider Harrow community.

We know that our school community is made up of individuals from a wide range of professions, industries and organisations. We would be delighted to hear from parents and carers who may be willing to host a stall, represent their employer, professional sector, business, university or training provider, and speak with students about their career journey and opportunities within their field.

Participation would involve hosting an information stand during the event and engaging with students by answering questions, sharing insights into your industry, and inspiring young people as they begin to consider their future education and career choices.

Whether you work in healthcare, engineering, finance, technology, law, education, the creative industries, public services, skilled trades, or any other sector, your experience and expertise could make a real difference to our students.

If you would be interested in supporting the event, please complete the expression of interest form Rooks Heath School Careers Fair 2027 – Fill in form or contact the school's Careers Team at C&T@rooksheath.harrow.sch.uk by **Friday 27th November.**

We hope you will consider supporting this valuable opportunity for our students. Thank you for your continued support of the school and for helping us raise aspirations and strengthen links between education and the world of work.

Yours sincerely,

Ms H Grover
Careers Lead
