Dear Parents and Carers,

Prospective Parents Evening – Year 6 pupils – Tuesday 15th September

We are delighted to invite you to our virtual Prospective Parents Evening.

This year, due to the nature of measures in place in response to the Covid-19 pandemic, we will host the Prospective Parents Evening online via resources available on our website.

The date event will launch at 6:30pm on Tuesday 15th September. Please log into Zoom where the headteacher will give a live presentation. During the live presentation, there will be an opportunity for parents, carers and children to ask questions in the live chat feature and we will aim to respond to all queries. The headteacher's presentation will be recorded so that it can be viewed by parents, carers and children who may be unable to access the live presentation.

Please visit the website for additional resources related to our Prospective Parents Evening thereafter. Our digital prospectus can be viewed by clicking [here](#).
