

Attendance: Religious Observance

- We follow the advice from the SACRE (Standing Advisory Council for Religious Education) in regards to the religious calendar.

- 1 day of absence per religious festival is authorised.

- Parents/carers should consider whether the proposed absence for a religious reason is strictly necessary, or whether the religious duty could be accommodated out of school hours.

- Parents/carers **MUST** contact the schools Attendance Officer via telephone or email when their child is absent due to a religious observance.

We allow students a maximum of 3 days authorised absence for religious observance, however these may not be taken consecutively.
