Dear Parents and Carers

As many of you are aware, Rooks Heath College welcomed colleagues from Ofsted over several days between 29 January and 19 March 2019. We were inspected by Ofsted Inspectors and Her Majesty's Inspectors during this time. I am pleased to inform you that Rooks Heath has been graded as good.

The inspectors recognised how well your children conduct themselves in lessons and around the College. Inspectors went on to note the high expectations demonstrated by our staff of themselves, and how this is reflected amongst students. The inspectors confirmed the high quality of teaching with specific praise for Sciences and Languages. The team from Ofsted appreciated also that students from all backgrounds are welcomed and treated equally well, noting that their personal development and welfare are outstanding.

Of course, we have always believed that there is still work to do in improving the learning experience of your children. The inspectors highlighted that although the curriculum offer is broad and inclusive, and offers challenge to all students including the most able and those with special educational needs / disabilities (SEND), we should continue in our efforts to review and improve the curriculum offer and what students are learning, as well as ensure that evaluation of performance is robust. Thank you for your continued support. This is very much appreciated by the whole College community.

Yours sincerely

Dr John Reavley
