The following guidelines are important for all home visits.

- **All home visits conducted by staff *must* be authorised by the headteacher or other senior leaders.**
- **All home visits conducted by senior leaders *must* be authorised by the headteacher.**

This guidance is to be used for off-site meetings with students and or parents/carers.

In addition, wherever possible parents/carers should be informed of the home visit prior to arrival, there will be exceptions to this for example a visit to confirm that an absent child is at home when parents/carers are not responding to attempted contact or emergency safeguarding visits.

Home Visit Definition:

A home visit is a visit that requires school staff to enter the home of a parent or carer in the case of an emergency or procedural visit.

1. Aims

The aim of a home visit is:

- To establish a partnership between parents/carers and staff so that all parties share their knowledge about the child to enable the individual needs of the child to be met.
- To develop and strengthen relationships with parents/carers for the best interests of the child.

Reasons for home visits:

Home visits are to be used when:

- Students are refusing to come into school; this can be carried out by school staff when there are attendance issues/concerns
- When students are being educated at home
- When all other means of contact with a family has failed
- To meet with parents/carers to discuss an issue regarding their child where it is in the best interest of the child to have that discussion in their own home rather than at school *or* where it would be difficult for parents/carers to attend school for a meeting and information needs to be shared in a face-to-face meeting in a timely manner.
- To try and establish that a child is safe if they are absent from school and attempts to contact parents/carers have not elicited a response and we have any welfare or safeguarding concerns for the student.

- To work with and support parents/carers in developing strategies to help their child attend school where attendance is an issue.
- To drop off or collect work for a child when they are completing schoolwork at home.
- To visit a child who has been off school for a period of time, for example due to a medical issue, so that they do not feel isolated from school.
- To investigate situations when there are suspicions that someone may be on holiday contrary to earlier indications (for example when a child is not at school and reported as being ill, during the same period for which a request for exceptional leave in term-time had been refused).

2. Procedures

The aim of the home visit procedure is to ensure good working practice and to provide guidelines in reducing risks to members of staff when undertaking home visits.

Before the Visit

- Be familiar with the school's procedures for home visits.
- Be clear about the purpose of the visit and that it is absolutely necessary.
- Make a written record of the purpose of the visit and the staff members involved.
- Arrange for an appropriate person to accompany you, home visits should be conducted in pairs. Clarify each person's role. (In some circumstances the school staff may accompany a social worker visit).
- Make sure you are well informed about the subject of the visit. Collect any necessary documentation.
- Consider who you need to see, e.g. one or both parents/carers, with or without the child.
- Make sure you are well informed about the family and are aware of personal circumstances.
- Wherever possible make an appointment to establish a time convenient to the family and to ensure that everyone you want to see will be present. Either make a phone call or send a letter.
- Complete, '**Home Visits Step Analysis of Risk Assessment**', (**appendix 1**), and hand in to reception to inform them of your intended location before departing for a home visit.

During the Visit

- Park in a well-lit area and in a position where you do not need to reverse on leaving.
- Dress appropriately.
- Ensure that there are no animals in the room where a meeting takes place.
- Introduce yourself, have identification available and explain again the purpose of the visit, carry your identification - do not use a necklace lanyard.
- Do not enter the premises unless invited in by a responsible adult.
- Do not enter the premises if invited to do so by a child that is on the premises unsupervised by a responsible adult.

- Only speak to parents/carers or another responsible adult whom a parent/carer has delegated to be there in their absence and who has been given permission to speak about the student for whom we are making the home visit.
- Do not speak to siblings other than to ask if their parent/carer is available. Do not discuss the purpose of the visit with siblings or any other unknown young person or adult at the premises.
- Do not go upstairs in a property
- Do not enter a child's bedroom.
- If you are concerned that a child is in the home inappropriately alone, unsupervised or in danger contact the school's designated teacher straight away to discuss your concerns
- If you feel that a child is in immediate danger contact emergency services on 999.
- Assure parents/carers that you will treat anything they tell you sensitively and will only tell the head teacher or other appropriate staff. Explain that you may need to take notes during the meeting. Do not promise not to relay information to school. Remember that under the child protection procedures you must report disclosures or suspicions to the designated teacher for child protection.
- Be sensitive to the culture, religion etc. of the home. Be prepared to remove footwear if asked.
- Be professional; give professional advice and information rather than personal opinions.
- Be sympathetic but remain neutral. Do not get personally involved. Be discreet but assertive about the direction of the conversation; do not gossip about the school or staff.
- Do not stay too long. Keep to the point.
- Do not carry large sums of money when making a home visit.

After the visit

- Report back to the school; if possible, give written feedback to the appropriate staff in line with the school policy.
- If you are not returning directly to school, telephone the school after the visit to say you have left the home visit.
- Any Child Protection concerns arising from home visits should be discussed with the Designated Teacher on arrival back at school.
- At school do not discuss individual home visits with any staff who are not directly involved with those particular children.

Reports

- It is essential that staff write a short report on every visit they make.
- If an incident does occur the visitor should record all details as soon as possible after the incident before the precise recollection of events fall from their memory.
- If an accusation of abuse is made against the visitor advice should be sought from the Head Teacher as soon as possible.
