Dear Parents / Carers,

Year 9 'Strive to be your Best' Evening - Wednesday 14th May 2025 at 17:30

The evening of Wednesday 14th May 2025 has been set aside for a Year 9 information evening. This is an evening for sharing ideas on how you can help your child succeed in this crucial stage of their education and should prove to be an extremely useful session. We will provide you and your child with revision materials to help them succeed in their upcoming End of Year Exams and share ideas of making good use of the revision booklets provided to them. **It is therefore important for you to attend.** Parents, carers and students are all welcome to attend. Students should be in full and correct school uniform.

During the evening, we will share information about upcoming events, including key dates, as well as strategies that you as parents can use to help your child to prepare for their end of year examinations. We will be offering advice on study skills and revision techniques as well as managing pressure and staying healthy. We will take the opportunity to share with you information about our consultation on changes to the mobile phones policy within school.

A crucial ingredient in every successful child is the interest shown by their parents / carers. We do hope that you will be able to come along on Wednesday 14th May 2025. Parking on site will be available.

We respectfully ask that you arrive on time so we can start promptly.

Yours sincerely,

Mrs J Logan
Deputy Headteacher

Mr P Todd
Assistant Headteacher and Head of Year 9
