Dear Parent/Carer

Re: Rooks Heath Summer School

We are so excited to be able to invite your child, in Year 6 to participate in our Summer School. This is for pupils who will be attending Rooks Heath School in September 2021 as part of our incoming Year 7 Cohort. Our Summer School will offer a stimulating and diverse range of enrichment and academic activities. We want to support our new students to make the best start possible so our activities will include a focus on literacy, numeracy and science as well as music, drama and sports.

The aim of the Summer School will be to introduce students to the excellent culture and ethos of Rooks Heath School, offer support for student wellbeing as well as give students the opportunity to build a community with their new fellow students, forge relations with new teachers and familiarise themselves with their new school environment.

The Summer School will run over one week from **Monday 2nd August to Friday 6th August**. Each day will run from **9:30am until 1:30pm**. Places are currently reserved for every child who has successfully achieved a place at Rooks Heath School. We will be in contact soon to let you know further details.

Students attending will be provided with a free packed lunch. Please state your child’s dietary requirements via the online reply form.
