

14 October 2021

Dear Parents/Carers,

Science Revision Guides

We are pleased to be able to offer the CGP Edexcel Science Revision Guides to our GCSE students to purchase. This will be made available on ParentPay until **Sunday 17th October**.

The books are being offered at a significantly discounted rate via school.

We strongly encourage you to purchase the bundle offered which includes the revision guide, workbook and answer booklet. The books will assist your child to prepare for class tests, mock and final exams and provide realistic practice exam questions along with tips and advice on exam techniques.

You will need to select either Higher or Foundation level when placing your order. If you are unsure of which level to purchase for your child, please do not hesitate to contact either myself or your child's Science teacher.

Thank you for your continued support.

Yours sincerely,

Mrs D.S Rahman
Head of Science
