

15th October 2021

Dear Parent(s)/Guardian(s)

I am encouraging year 12 students and parents to take part in the **UK University & Apprenticeship Search Virtual Fair** on **Wednesday 20th October (12:00-18:00)**. This free event features a multitude of universities, colleges, and apprenticeship providers from around the UK, along with 10 interactive webinars and **virtual campus tours**. The event will provide your child with all the information they need to make informed decisions about their post-18 options.

Students, parents and carers simply need to register online at: <http://ukunisearch.vfairs.com/>
Students and parents can **chat directly** with a mixture of Russell Group, red brick, and modern universities from around the UK to find out invaluable information about courses and life at university, and discover what **admissions tutors** are looking for in UCAS applications. Attendees can also speak to colleges, universities and local and national companies about their **apprenticeship schemes**.

10 interactive webinars will run throughout the day on a variety of university and apprenticeship topics, such as UCAS Personal Statements, Careers & Employability, Student Finance, and Apprenticeships. The webinars are run by university and apprenticeship professionals who will also host Q&A sessions after the presentations. You can view the webinar timetable and presenters list using this link: <https://ukunisearch.vfairs.com/en/webinar-timetable>

Students should try to register in advance to receive reminder emails with new exhibitor alerts, information on how the day will work and how your child can make the most of the exhibitor interactions.

Please note that students should not miss timetabled lessons for this event. Each webinar is recorded so students can watch any of interest after the live session has taken place. After 27th October all webinars will be available to stream on **StudentStream** along with lots of other videos from universities: <http://studentstream.co.uk>

Please encourage your son or daughter to book their free place and view the list of exhibitors who've signed up so far here: <http://ukunisearch.vfairs.com/>

I recommend registering for the event as soon as possible.

Sincerely

Adam Wright
