

3rd October 2022

Dear Parent/Carer

Problem Solving Activity - Friday 7th October

We are delighted to inform you that we have an outside company coming to school on 7th October to run a one-hour STEM escape the room workshop with our Year 10 students. The company are a leading provider of school activity days which provide students with the opportunity to develop analytical skills, resilience and creativity as well as explore different aspects of the Science and Math curriculum. Thus, preparing them for their exams and their future career and beyond.

Students will be in their tutor groups and the timings of their workshops are listed below. The workshop will take place in the hall with two groups at a time lasting for one hour. There will be a member of staff from Rooks Heath School and another member of the Problem-Solving company present with the students throughout the workshop.

The company will discuss and engage with students about various aspects of STEM and problem solving. There is no cost for this event, and we are pleased to say it is being offered for free.

9:10-10:10: Tutor Groups 10 Blue and 10 Green
10:10-11:10: Tutor Groups 10 Orange and 10 Indigo
11:30-12:30: Tutor Groups 10 Red and Violet
13:10-14:10: Tutor Groups 10 Yellow and White

On the day students will go to registration and lessons as usual but will go to the hall at their designated time. Students will need to attend in full school uniform with their normal school bag, equipment and books for their lessons.

Yours sincerely

Mrs E Wright
Assistant Head Teacher
