Dear Parent Carer,

STUDENT CONDUCT ON PUBLIC TRANSPORT

Unfortunately, we are writing about the conduct of students on the 114 bus on Tuesday 6th December 2022. Several students were identified as causing a disruption on the bus which required the driver to stop the bus and challenge the behaviour of Rooks Heath students.

Members of the public contacted the school to inform them of the incident and we are currently investigating the matter with Transport for London.

We would like to remind you that our Home School Agreement specifies students should be polite and respectful. Whilst we acknowledge the incident occurred on the bus, we expect the conduct of our students to be consistent outside of school particularly when they are in uniform and travelling to and from school.

Should your child be identified as causing a disruption this will be treated as 'bringing the school into disrepute', you will be informed, and an appropriate sanction applied.

I hope you will encourage the high expectations and remind your child about their behaviour and being excellent representatives of the school and their local community.

Yours sincerely

Mr Saqib Ahmed
Deputy Head Teacher
