

24 February 2023

Dear Parent / Carer

YEAR 8 OPTIONS CHOICES

We are starting to prepare the timetable for students in September 2023. As you will remember from when I wrote to you in the Autumn term, students will continue with almost all the subjects they study now in line with the Department for Education’s National Curriculum. These subjects are set out below:

The Core Subjects						Humanity Subjects		Digital subjects	Creative subjects				One Language from the following
English	Maths	Science	RS	PE	PSHE	History	Geography	Computing	Art	Music	Drama	DT	Latin
												OR	French
												Food	German
													Chinese

Students will make two choices regarding their subjects next year. Students will select one of the languages they are currently studying. Students will not be able to choose a new language they are not currently studying. Students will also choose between Design Technology or Food Technology.

Students will receive an online Form to fill in on Monday on Satchel One and should aim to complete this by Friday 3rd March. Please spend some time discussing these choices with your child.

In the Spring Term of Year 9, students will finalise their options for subjects they will study at Key Stage 4.

If you have any queries, please do not hesitate to contact the school by phone or emailing contactus@rooksheath.harrow.sch.uk

Yours sincerely

Mr S Macaulay
Deputy Headteacher
