Dear Parent / Carer

Year 9 'Strive to be your Best' Evening - Thursday 25th May 2023 at 5.00pm

The evening of **Thursday 25th May** has been set aside for a Year 9 information evening. This is an evening for sharing ideas on how you can help your child succeed in this crucial stage of their education and should prove to be an extremely useful session. We plan to provide you and your child with revision materials to help them succeed in their upcoming Year 9 End of Year Exams.

We will also use the evening to share with you information, ideas and strategies that you as parents can use to support your child prepare for their examinations and build gradually on their knowledge across the curriculum. This will help them towards success in their eventual GCSE and vocational exams which our Year 9 students will be starting in September. We will be offering advice on study skills and revision techniques as well as managing pressure and staying healthy.

A crucial ingredient in every successful child is the interest shown by their parents / carers. We do hope that you will be able to come along on the 25th May.

Yours faithfully,

Mr D Williams
Head of Year 9

Mrs J E Logan
Deputy Headteacher

Mr S Macaulay
