

04 October 2023

Dear Parent/Carer

Year 11 'Strive to be your Best' Evening - Wednesday 18th October 2022 at 5.30pm

The evening of **Wednesday 18th October 2023** has been set aside for a Year 11 information evening. This is an evening for sharing ideas on how you can help your child succeed in this crucial stage of their education, and should prove to be an extremely useful session. We will provide you and your child with revision materials to help them succeed in their upcoming Year 11 mocks that will build on the revision booklets provided for them in Year 10. It is therefore important for you to attend. Year 11 Mocks will take place in all examined subjects from 20th -29th November.

We will also use the evening to share information about upcoming events, including our Performance Learning Study Skills Interventions (taking place for students during this academic year) and ideas and strategies that you as parents can use to help your child to prepare for their impending mock examinations and build towards their final examinations later in the year. We will be offering advice on study skills and revision techniques as well as managing pressure and staying healthy.

As part of our support for Year 11 students, we are also running 'Master Classes' after school to help boost student progress. Almost all subjects are offering these, so please encourage your child to attend. More will be shared about the schedule of these Master Classes at the Strive to be your Best Evening'.

A crucial ingredient in every successful child is the interest shown by their parents / carers. We do hope that you will be able to come along on Wednesday 18th October 2023.

Yours faithfully,

Mr S Sharp
Head of Year 11

Mrs J E Logan
Deputy Headteacher

Mr S Macaulay
Deputy Headteacher
