

27 November 2023

Dear Parents / Carers

**REMINDER: PARKING, PICK UP AND COLLECTION COURTESY IN NEIGHBOURING ROADS**

I hope this letter finds you and your family well.

I am writing once again to address the concerns raised by residents in our local community regarding parking and blocked driveways in neighbouring roads near Rooks Heath School. These include Tithe Farm Avenue, Walton Avenue and Tregenna Avenue.

We take the concerns of our community seriously and strive to ensure the smooth functioning of our school in a manner that is considerate and respectful towards our neighbours. I have previously written to all parents/carers of the importance of adhering to safe and considerate parking regulations [see letter of 11<sup>th</sup> October 2023 on our [website](#)]. It is disheartening to hear that despite our previous communication, there may be some of our parents who are not complying with these guidelines.

We understand that the actions of a few individuals may tarnish the good reputation of our entire school community, and I would like to assure you that we are taking this matter seriously. We believe in fostering a positive relationship with our neighbours and will continue to work diligently to rectify the situation.

I kindly request your support in reminding other parents and carers about the importance of responsible parking practices.

We understand that the actions of a few individuals may tarnish the reputation of our entire school community. I am sure you agree that by working together, we can ensure that our school continues to be a respectful and considerate organisation at the heart of the local community.

In conclusion, we would like to recognise and thank the majority of our parents/carers who do not contribute to this problem. We appreciate that most of our parents/carers walk or drive responsibly to school as do the majority of our students.

Thank you for your understanding and cooperation.

Yours sincerely

Mrs Miriam Manderson  
**Headteacher**
