8th July 2024

Dear Parent/Carer,

**50th Anniversary Celebration Week – Picnic in the Park
Thursday 11th July 2024**

We are excited to announce that Rooks Heath School is celebrating its 50th anniversary! From 8th to 12th July 2024, we will be hosting a series of events to mark this special occasion.

As part of our celebration week, we will be holding a picnic in Newton Park, Harrow, HA2 9DX. The picnic is scheduled for Thursday 11th July, and we will provide all students with a packed lunch unless they have opted out. Students are also welcome to bring their own snacks and drinks. We have offered a variety of sandwich options for your child to select from, keeping in mind any dietary requirements or allergies they may have.

We will walk to the park via Kings Road, departing at approximately 11:15 am. Following the picnic, students will be dismissed from the park at 1pm.

We expect all students to adhere to the school's behaviour expectations during this event. We aim to create a memorable experience for our entire school community as we celebrate 50 years of the Rooks Heath family. Please be aware that any failure to follow the behaviour for learning policy may result in students being denied participation in future activities. Additionally, we reserve the right to refuse a student's participation in off-site activities if their current behaviour does not meet the school's expectations or if it poses a health and safety concern. However, we would hope to include everyone in this celebratory activity.

We hope the weather will also be on our side. Should we experience heavy rainfall, students will remain on site and the activity will be adapted to covered areas of the school including classrooms and / or larger indoor spaces.

We look forward to a wonderful week of celebration and appreciate your support in making this a successful event for everyone involved.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'S Subra'.
