Dear Parents and Carers,

**Re: Inclusion Quality Mark (IQM)**

We are absolutely delighted to share some wonderful news with you: at the end of the summer term, our school was awarded **Flagship Status** by the **Inclusion Quality Mark (IQM)**. This prestigious recognition celebrates our unwavering commitment to creating an inclusive, nurturing, and aspirational environment for every student—and we could not be prouder.

You will see the icon has been added to our letter and when featured on our documentation, you will understand what this means.

Achieving Flagship Status is not just an accolade; it is a reflection of the TRACK values we live by every day. It acknowledges the strength of our inclusive practices, the dedication of our staff, and the vibrant, respectful culture that defines our school community. Most importantly, it highlights how we ensure that every child—regardless of background, ability, or need—is supported to thrive both academically and personally.

This milestone belongs to all of us. It is your continued support, encouragement, and partnership that make our inclusive vision a reality. Whether through conversations at home, engagement with school life, or the trust you place in us each day, you play a vital role in shaping the experience of every learner.

From all of us here at Rooks Heath School, we thank you. We are deeply grateful to be on this journey with you and your children, and we look forward to building on this achievement together—with even greater ambition, compassion, and collaboration.

Kind regards,

**Mrs M Manderson**  
Headteacher
