Dear Parents/Carers,

RE: SEND Digital Survey

Harrow Council is currently reviewing how they support children and young people with Special Educational Needs and Disabilities (SEND). As part of this work, they are asking young people to share their views through a short digital survey.

If your child or young person has an EHCP or receives SEND support, their voice is especially important.

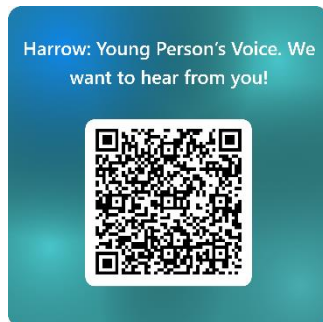

Their feedback will help Harrow Council to understand what's working well, what could be better, and what they need for the future. This will then shape their priorities and improve services.

The survey takes around 10 minutes to complete. Please support your young person to complete it, if needed.

When by: 31ST October 2025
