

5th November 2025

Dear Parents / Carers,

**Rooks Heath Sixth Form Open Evening
Thursday 13th November 2025**

This year, we are delighted to extend a unique special invitation to Year 10 students and their parents and carers to the pre-event of our **Sixth Form Open Evening**. Year 10 students have been invited to this event to not only inspire, but also to help students to begin thinking ahead to their future studies and career pathways. This compulsory meeting will be held in the School Hall on Thursday 13th November at 5.00pm, where you will get the opportunity to meet our Head of Sixth Form, Mr Wright and to find out what being a Sixth Form student at Rooks Heath is all about.

After the presentation, you will have the opportunity to tour the school to visit all the Sixth Form subjects and departments that we currently offer at A level and BTEC level 3. The evening for Year 10 students is expected to finish by **6pm**.

The Open Evening will also provide you with the opportunity to find out more about our partnership with other High Schools through the Harrow 6th Form Collegiate. Consequently, students benefit from having over 40 A level and BTEC Level 3 courses to choose from. Furthermore, together we deliver high quality preparation sessions for competitive universities such as Oxford, Cambridge, Imperial College and University College London culminating in our annual Oxbridge preparation day.

We believe that Year 10 is the perfect time to start exploring options and building aspirations. This open evening is a chance to ask questions, gather insights, and begin shaping a vision for the important years ahead for your child.

We hope that you will be able to attend this very important opportunity to help you fully support your child in making decisions about their post-GCSE choices. We look forward to welcoming you and sharing what makes our Sixth Form a truly unique and inspiring place to learn and grow.

Please note that students are required to wear full school uniform for this evening.

Yours sincerely,

Mr P Todd
Head of Year 10
