

9th January 2026

Dear Parents and Carers,

Visit by Dwain Chambers, Tuesday 27th January 2026

We are delighted to announce that, on Tuesday 27th January, we will be visited by the track sprinter Dwain Chambers, who has represented England and Great Britain on the international stage. He will present a motivational talk to our students in Years 10, 11, and 12, which will be linked to potential career pathways. This will be a great opportunity for students to meet and hear from an athlete who has faced obstacles and overcome them to build a successful future. His journey is one that many students can relate to, and we are sure that his inspirational journey will deliver a powerful message.

Year 10 students will be taken off the standard timetable for part of period 1 and Year 11 and Year 12 students for part of periods 1 and 2.

There will be an opportunity to ask questions, and we encourage students to start thinking about what they would like to ask Dwain Chambers. Students with the most interesting questions will be carefully selected to ask questions.

This is an exciting opportunity, and we will be expecting impeccable behaviour from all students, demonstrating the values we champion at Rooks Heath School, as we all strive to be our best.

Kind regards,

Ms. J. Chambers
Head of Business Studies
