Subject: Computing

Day: Monday

Time: 3:25pm - 4:25pm

Room: TG4

Computing Masterclasses will be every Monday after school for an hour in TG4.

Students attending will receive support on topics that they need, targeted through data gained from using the Smart Revise revision tool.

This will ensure that the areas of weakness are focused on. In preparation students can use the Smart Revise that will then provide the topic areas of focus in real time.

Each spec' point will have a circle as in the attached picture so students can accurately find the areas they need to focus on.

- Mastered
- Correct twice
- Correct once
- Incorrect
- Unanswered

Subject: Maths

Day: Thursday

Time: 3:25pm - 4:15pm

Room: EF3 (Foundation), EF4 (Higher)

The weekly Maths Masterclasses are designed to give students extra confidence and targeted support in the run-up to their exams. With separate sessions for Foundation and Higher students, these sessions focus on strengthening key skills, tackling tricky topics, and improving exam technique.

Each Masterclass is tailored to the needs of the students attending—whether that means revisiting core concepts, closing gaps in understanding, or stretching higher-tier students to secure top grades. Small-group support allows for personalised guidance, plenty of practice, and the chance to ask questions in a supportive environment.
