

Exploring Your Routes Into Surveying

An apprenticeships insights session for Year 12 & 13 students

Get insider access to Hollis, a global consultancy firm of real estate surveyors, engineers, ESG consultants, project managers and technical specialists.

What you'll gain:

-  First-hand insights into what surveyors actually do
-  A fun, practical "spot the defect" activity
-  The chance to meet and chat to current Hollis apprentices via a Q&A

Why it matters:

Limited to 15 places, opportunities like this don't come around often. You'll find out why real estate surveying is such a great career option, as well as guidance on how to get there, even if you don't have a construction background.
