A copy of this letter has been circulated to all secondary school headteachers and Designated Safeguarding Leads in the London Borough of Harrow.

Dear trusted partners, parents and carers,

We are aware that several posts have been circulating on social media in recent days, and we understand that this may have caused concern among families.

The Metropolitan Police are monitoring the situation closely and are in regular contact with schools across several London boroughs, offering reassurance and support.

The police are also monitoring online activity and are working with social media platforms to request the disabling of accounts where there have been threats or promotion of violence.

Please be aware there will be a heightened police presence around Harrow schools, and I encourage you to speak to my officers regarding any concerns you and your community may have, or any further information you can provide on this matter. My officers will continue to respond promptly and firmly to any reports of violence or disorder to help ensure the safety of all our young people.

We ask that you speak with your students/children about staying safe, making responsible choices, and encourage them to report any concerns to a trusted adult.

If you have any questions or need further reassurance, please do not hesitate to contact us.

Yours faithfully,

Superintendent Zubin Writer
