

Wednesday 18th March 2026

Dear Parents/Carers,

RE: Year 11 Final Term Arrangements and Expectations

As we approach the end of the academic year, we are pleased to share the key events planned for our Year 11 students as they prepare to conclude their time at Rooks Heath School.

In addition to our traditional milestones - Formal Day (Friday 1st May) and the Year 11 Prom (Thursday 25th June) - the Year 11 Prom Committee has worked hard to organise two exciting extra opportunities:

Tuesday 24th March:

- Year 11 Non-Uniform Day
- £1 to be paid on MCAS for Year 11 to wear their own clothes. The theme is 'Past or Present.'

Wednesday 15th April

- Year 11 movie night (4:30pm – 6:30pm)
- £2 to be paid on MCAS to attend

Together, these events offer students a memorable way to celebrate their journey and achievements. Every pound raised goes directly toward creating an unforgettable Prom night.

These occasions are special, and we want every student to be able to enjoy them. However, it is important to be clear that attendance at these events is a **privilege**, not an automatic entitlement. All students **must** continue to meet the school's expectations for behaviour, conduct, and attitude - both in lessons and around the school site.

Additionally, students who are not engaging positively with learning or revision may be placed on early study leave, especially if this impacts of the learning of other students. If this becomes necessary for your child, you will receive a separate letter outlining the arrangements in the lead-up to and during the exam period.

Please find below the GCSE and BTEC exam timetable here:

Our school mantra remains simple and clear: **Be Ready, Be Respectful, Be on Time.** As we move into these final months, we expect all Year 11 students to uphold these values consistently and to strive to be their very best.

This means:

Be Ready – attending school in the correct uniform and arriving prepared for learning, including bringing the correct writing and maths equipment needed for examinations.

Be Respectful – showing courtesy and consideration to staff, peers, and our school environment. This includes demonstrating respectful behaviour towards examination invigilators.

Be on Time – arriving punctually to school, to lessons, and to all examinations.

Students who do not meet these expectations will face consequences in line with our Behaviour for Learning (BfL) policy and may lose the opportunity to participate in one or more of the end-of-year events as part of our sanctions process. We would be disappointed for any student to miss out on these important shared moments with their Year Group.

Our hope - and expectation - is that every Year 11 student finishes the year positively, proudly, and successfully. Thank you for your continued support in reinforcing these standards with your child.

Working together, we can ensure that they enjoy a rewarding and memorable end to their time at Rooks Heath School.

Yours sincerely,

Ms H. Grover
Assistant Headteacher / Head of Year 11 (Class of 2026)
