

6th May 2026

Dear Parents / Carers,

Year 8 'Strive to be your Best' Evening – Tuesday 19th May 2026

The evening of Tuesday 19th May has been set aside for a Year 8 information evening. This is an evening for sharing ideas on how you can help your child succeed in this crucial stage of their education and should prove to be an extremely useful session. We will provide you and your child with revision materials to help them succeed in their upcoming exams and share ideas of making good use of the revision booklets provided to them. It is therefore important for you to attend. The meeting is aimed at parents and carers. Students are welcome to attend as well, and if they do so they should be in full and correct school uniform.

We will also use the evening to share information about upcoming events, including key dates. We will share ideas and strategies that you as parents can use to help your child to prepare for their end of year examinations and build towards their final examinations in Year 11. We will be offering advice on study skills and revision techniques as well as managing pressure and staying healthy.

Parents and carers should attend at 5.15pm for a 5.30pm start. The presentation will last for approximately one hour.

A crucial ingredient in every successful child is the interest shown by their parents / carers. We do hope that you will be able to come along on Tuesday 19th May. Parking will not be available on site.

We respectfully ask that you arrive on time so we can start promptly.

Yours sincerely,

Mr S Sharp
