Dear Parents / Carers,

RE: YEAR 10 End-of-Year (PRE-MOCK) ARRANGEMENTS

Year 10 Examinations will take place next half term, between Monday 15th June and Friday 3rd July. These very important assessments will help inform students, their teachers, and you of how well they are doing in each subject. Students will receive a statement of results in the weeks following their exams. There is only one further set of Mocks in November, before students' real GCSEs, and so it is important students are prepared and succeed.

Please find link [HERE](#) to view the Y10 Exam Timetable. The Year 10 Exams will run like a normal public exam season and during the exams, we will have the following arrangements:

- For morning exams students must go to their form rooms as normal and should be outside the gyms, ready for their morning exams at 9am.
- For afternoon exams students should make their way to the gyms at the end of lunch at 1:10pm.
- Students must attend all their exams promptly and be ready to start, in full uniform, and with all necessary equipment (i.e. a black pen, a clear pencil case and, if appropriate, a calculator without a lid).
- Students must attend their usual lessons when they do not have an exam. Teachers will be doing one of the following activities:
 - Running revision sessions towards an exam in that subject.
 - Allowing students to revise independently.
 - Continuing with coursework in vocational subjects.
- Students will finish their school day at the normal time and will be dismissed off site as per their normal routine. If a student's exam is still taking place at 15:10, then students will be dismissed after their exam finishes.

We would ask you to continue to encourage them to revise every day during half term, until the end of the Year 10 Exams. Students should aim to revise all of their subjects for their Year 10 Exams as they will be examined on all of those subjects at the end of Year 11. Subject teachers will provide revision guidance on Bromcom. In addition to the examinations in the gyms, students who are studying Modern Foreign Languages will have speaking exams as shown on the Exam Timetable. Timetables with seating arrangements will be issued to students after the half term break.

Please do not hesitate to contact us at contactus@rooksheath.harrow.sch.uk if you have any questions.

Yours sincerely,

Mrs S Subra
Deputy Headteacher, Curriculum and Assessment
