Dear Parents / Carers,

**RE: Music at Rooks Heath**

I am writing to share some information about music at Rooks Heath School, including our curriculum lessons and the opportunities available through instrumental tuition.

Music is an important part of school life and is studied by all students in Key Stage 3 (Years 7-9). Many students also choose to continue their musical journey in Key Stage 4 and beyond. Our curriculum is designed to reflect the diversity of our school community and gives students opportunities to take part in concerts, performances and other school events.

In music lessons, students will develop:

- Listening and appreciation skills through music from a range of cultures and traditions
- An understanding of basic music theory
- Performance skills through singing and playing instruments
- Creative skills through composing and creating music

We expect all students to participate positively in lessons, demonstrate our On Track values, and always strive to do their best. Music lessons help students build confidence, creativity, teamwork, communication and respect for others, alongside valuable musical knowledge and skills.

We also offer instrumental and vocal tuition in:

- Keyboard
- Guitar
- Violin
- Drums
- Singing

Places are limited, and lessons cost **£50 per term**. If your child would like to join the waiting list or enquire about lessons, please complete this form: (<https://forms.cloud.microsoft/e/vm4XDbvsRH>). Students can also speak directly to a member of the music department.

Thank you for your support. We look forward to helping your child develop their musical skills and enjoyment of music.

Yours Sincerely,

Mr P Turner  
**Head of Music**
