Masterclasses

Autumn Term

Subject: Art

Day: Friday

Time: 3:30pm to 4:30pm

Room: C5/C6

Fine Art Masterclasses take place every Friday after school from 3:30pm to 4:30pm.

Mrs Kara and Mrs Azevedo are available to provide tailored support to all GCSE Art students.

Students are welcome to attend in either C5 or C6 and receive guidance specific to their individual project and coursework needs.

Subject: Business Studies

Day: Tuesday

Time: Lunchtime

Room: D3

Business Studies Masterclasses will begin after the October half-term, with the first session taking place on **3 November 2026**.

These sessions will focus on key Year 10 topics, developing exam technique, and building the knowledge and skills needed for success in Business Studies.

Further information about the specific topics covered will be shared after half-term – please see Ms. Chambers for details.

Subject: Computing

Day: Monday

Time: 3:15pm - 4:15pm

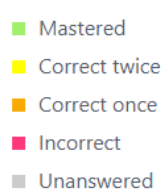

Room: TG4

Computing Masterclasses will be every Monday after school for an hour in TG4.

Students attending will receive support on topics that they need, targeted through data gained from using the Smart Revise revision tool.

This will ensure that the areas of weakness are focused on. In preparation students can use the Smart Revise that will then provide the topic areas of focus in real time.

Each specification point will have a circle as in the attached picture so students can accurately find the areas they need to focus on.

For more information about SmartRevise, see here:
<https://smartrevise.craigndave.org/>

Subject: Design and Technology (DT)

Day: Friday

Time: 3:15pm - 4:00pm

Room: AG20

In Design & Technology Masterclasses, you will explore practical design challenges, improve your technical knowledge, and gain valuable advice on how to approach assessments and achieve your best in Design & Technology.

See Mr. McLaren for further details.
