# Online Learning at Rooks Heath

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies are powerful tools, which open up new opportunities for everyone. The use of technology can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning.

## Access to Resources

At Rooks Heath College we have a policy of allowing **students access to a large array of online learning resources relevant to them.**

This means that a student can access resources relevant to their current year group, with students having the ability to look back on resources for a previous year. The purpose of this is to encourage students to form correlations between new content and content they have already learnt; allowing them to expand and deepen understanding of a topic or subject.

Many of the basic applications that students will require are in the core Microsoft Office suite. This platform can be used by students who may not immediately have access to Microsoft programmes (e.g. Word, Excel, Outlook). If your computer does not have these packages installed, students are able to access them by going to: <https://www.office.com/>

## Students

To access the Rooks Heath computer network, you should click on “Sign in” and use the single sign on credentials (details below).

Several services are accessible by simply using your school e-mail address and password (SSO single sign on). Examples of such applications include Canvas and Microsoft Office 365 Core Apps (Word Online, Excel Online etc).

Your e-mail address is:

**Leave year prefix (see table below) + surname + first initial of first name @rooksheath.harrow.sch.uk**

Your username should look like the following:

[23smithj@rooksheath.harrow.sch.uk](mailto:23smithj@rooksheath.harrow.sch.uk)

Leave Prefix	Year Group
24	Year 7
23	Year 8
22	Year 9
21	Year 10
20	Year 11
19	Year 12
18	Year 13

\*If you share a device with siblings who attend Rooks Heath to log into platforms such as Canvas and Office 365; please do NOT save your log in details on the device as this can prevent other users accessing the sites. If this does happen, please clear the cache found in your browser settings.

# Online Learning at Rooks Heath

Some online services will require confirmation of your email and generate an email with a link to reset your own password. If you forget your password and cannot see how to reset your password on the website, then please e-mail ICT Support ([ictsupport@rooksheath.harrow.sch.uk](mailto:ictsupport@rooksheath.harrow.sch.uk))

**On the following pages you can record your usernames and passwords. Remember to keep them safe and NEVER share the details with anyone else.**

## Network Logon

These are all the internal workstations around school. These are in classrooms and computer suites.

Service	How to access
