

24 March 2020

Dear Parents / Carers,

### Coronavirus – School Closure

I am writing to inform you of my decision to close Rooks Heath College from Wednesday 25<sup>th</sup> March until further notice in an effort to help combat the spread of the virus. We have followed government guidance to this point and continue to do so. For this reason, it is also felt that it is very important that we consider the health and welfare of the staff and avoid placing any staff in a position of unnecessary risk.

I am grateful for the show of understanding and support we have received from our parent / carer community and want to reassure you that we will continue to keep this situation under review if and when the situation changes.

We have been in contact with the Local Authority who have set up a web portal for any keyworker parents who may require this: [www.harrow.gov.uk/keyworkersupport](http://www.harrow.gov.uk/keyworkersupport). Additionally, parents and students are aware that they may contact us during this time either by using Canvas or directly using our Contact Us email address or via the website.

Please continue to keep an eye on messages from the government as well as our website and MCAS for any further communication. All previous letters with key information are available on our website and can be found if you click here: [Letters](#).

Once again, we wish you good health, stay safe and all best wishes to your families from all of us at Rooks Heath College.

Yours sincerely

Miriam Manderson  
**Headteacher**
