Dear Parents and Carers,

ICT Facilities Survey

As part of our on-going preparations for remote learning, we are updating our records with regards to students who do not have access to the internet or to a suitable device at home.

We would very much appreciate your support in filling in our survey of access to ICT from home, *even if you have good access and do not foresee any difficulties.*

We would be grateful, therefore, if you could spend a couple of minutes completing the survey linked below:

[What access to ICT facilities does your child have at home?](#)

Thank you in advance for your on-going support.

Kind Regards,

Johanne Logan
Deputy Headteacher
Teaching and Learning.
