

22 October 2020

Dear Parents / Carers

Half term

Thank you for your continued support during this half term.

As half term is approaching I wanted to give you a brief update and some reminders.

Our Covid-19 measures have been successfully implemented this term and our students have been incredible in adapting to this. Please commend your children and continue to reinforce the need to comply with the measures in place.

We have had a few confirmed positive cases of Covid-19 which you have been kept informed about and we have taken proactive measures to reduce the impact on the whole school.

If your child develops symptoms over the half term, please email contactus@rooksheath.harrow.sch.uk providing details of the following:

- Date of onset of symptoms
- Date of testing
- Date of result where outcomes are positive
- A copy of the positive test result

If anyone else in your household develops symptoms, please ensure that the members of your household self-isolate and arrange for testing as per the guidance. Please do not send your child to school if they are unwell. Your cooperation with this is much appreciated.

Please remember that your child will have work set on Microsoft Teams if they need to self-isolate.

Please note that London has now moved to tier 2. Please ensure that your child is fully prepared with the school equipment required for all lessons including full PE kit and items for art as we are discouraging students from sharing their equipment. We have asked that everyone wears a face covering in communal areas whilst they are on site at the school.

Our Year 11 students will sit their mock exams after half term. Please encourage them to use the resources and strategies shared with them by their teachers, to enable them to feel fully prepared for these exams.

Yours sincerely

Mrs Miriam Manderson
Headteacher
